Full Company		\$500	\$50/month
Young Company		\$250	\$25/month

PAYMENT POLICIES

- ❖ **We offer a multi-family member discount:** 20% of the total fee for both or all students in the family. This discount applies to all classes.
- ❖ **All monthly installments are based on a flat school-year rate.** Classes begin the day after Labor Day and end in early June. Closings for Halloween, Thanksgiving, Christmas, Easter and Memorial Day are accounted for, as are several snow days. Students may “make-up” snow days and sick days in another class section. If one class misses an inordinate number of classes due to inclement weather, a special make-up for that class will be held. **We will hold each class a minimum of 32 times.**
- ❖ **One month’s tuition is due with registration.** This installment is non-refundable. The second installment is due September 1st, and the tenth and final installment is due May 1st.
- ❖ **All monthly fees are due on the first of the month.** A \$10 late fee will be attached to all payments made after the tenth of the month. Payments may also be made in advance, per semester, or for the entire year at the choice of the parents. If an account remains delinquent for 60 days or more, the dancer(s) on the account may not participate in class until the account is brought current.
